President's Welcome

Welcome to Latton Park for today's Regional 2 Anglia round 8 league clash between Harlow RUFC and Braintree RFC. A warm welcome is extended to the players, officials, and travelling supporters who have made the journey down today. We also extend a warm welcome back to today's referee, Cyril Brognard, from the LSRUFR. We hope he enjoys his day.

The 1st XV returns home following a disappointing loss at Woodford last weekend, which brought an end to a strong run of five wins. Today, we want to bounce back and carry the momentum we showed in our victories against Brentwood, Finchley, and Wanstead into this fixture. To do that, the team will be focused on eliminating the ill-disciplined mistakes that have crept into our play and made sticking to the game plan much more difficult. We know we can score tries and play an expansive game, but to maximise our potential, we must cut out the errors that allow the opposition back into the match.

Today's opposition, Braintree, are always a stubborn, highly physical side to break down. Although they have had a difficult start to the season with just two wins from seven, Harlow will remember last season well, when Braintree managed to record wins in both the home and away fixtures. We know they will arrive looking to disrupt our rhythm and dominate the set-piece. Harlow will need to replicate the forwards-dominated intensity we showed at Finchley and Brentwood, maintain high discipline, secure our own ball, and look to unleash our pace on the outside—maximising the full width of the Latton Park pitch.

Enjoy the hospitality, catch up with old friends, and let's get behind the boys!

Support the Club: Match ball sponsorships are available for £150 for the remainder of our home campaign, with port sponsorship also available on a pro-rata basis. Please reach out to our President, Alan Price, at president@harlowrugby.club to book yours.

Post-Match Hospitality: Win, lose, or draw, please join us in the clubhouse immediately after the final whistle for a drink, post-match awards, and to catch up on the rest of the weekend's rugby results. Past Payers lunch Dec 12. If you haven't already booked please do so quickly since we will be soon opening a reserve list due to high demand.

Thank you for your vocal support. Let's make some noise and secure the points!

Alan Price
