President's Welcome

Welcome to Latton Park for today's Regional 2 Anglia league clash between Harlow RUFC and Wanstead RFC.

A warm welcome is extended to the players, officials, and travelling supporters who have made the journey down from East London today. We also attend a warm welcome to today's official Tobias Whinney from the LSRUFR.

The 1st XV returns to home turf for a massive clash in the Regional 2 Anglia league. Following our excellent 43–19 home victory against Chelmsford and a thrilling 33–28 away win at Brentwood earlier this month, the squad is in high spirits and eager to lock down another vital home result.

We want to carry this momentum into today after last week's hard-fought away win at Finchley. Facing a newly promoted and stubborn North West London side in truly atrocious weather conditions, the RedMen showed incredible grit, adaptation, and game management. The game plan shifted to match the elements; the boys rolled up their sleeves, adapted to the heavy mud, and picked-and-went their way through a brutal defensive shift to bag all the points. It was never going to be a day for a 4 try bonus point. It was a gritty performance that proves this squad can win ugly when the heavens open.

Today's opposition, Wanstead are always a stubborn, highly physical side to break down. Though they had a tough road trip to Wymondham recently, they showed exactly what they are capable of with a clinical 38–21 victory over Braintree earlier in October. We know they will arrive looking to disrupt our rhythm and dominate the set-piece. Harlow will need to replicate that same forwards-dominated intensity we showed at Finchley, maintain high discipline, secure our own ball, and look to unleash our pace on the outside maximising the full width of the Latton Park pitch.

Enjoy the hospitality, catch up with old friends, and let's get behind the boys!

· Support the Club: Match ball sponsorships are open for £150 for the remainder of our home campaign. Port sponsorship also available at pro rata. Please reach out to our President, Alan Price, at president@harlowrugby.club to book yours.

· Post-Match Hospitality: Win, lose, or draw, please join us in the clubhouse immediately after the final whistle for a drink, post-match awards, and to catch up on the rest of the weekend's rugby results.

Thank you for your vocal support. Let's make some noise and secure the points!

Alan Price
President
Harlow Rugby Football Club

Coaches Message

Good afternoon and welcome to Latton Park!

We head into today's fixture on the back of four consecutive wins, and naturally we'll be looking to make that five on the bounce.

Last week's win was certainly one we had to work hard for. With Storm Boelo bringing horrendous conditions, it was never going to be an afternoon for attractive, free-flowing rugby. In a game decided by just five points, the boys showed real grit, determination and togetherness to come away with the result and maintain our winning run. It wasn't always pretty, but sometimes those hard-fought wins are the most satisfying. I was particularly pleased with the character the squad showed when things got tough, digging deep and finding a way to get over the line.

Confidence is growing, and there's a good feeling around the squad, however they players have been reminded that they need to keep working hard and continue to improve week on week.

Today's visitors, Wanstead, will provide another tough test, and we'll need to bring the same attitude, commitment and desire that have served us well over the past few weeks. Playing at home gives us another opportunity to put in a performance that everyone connected with the club can be proud of.

Enjoy the afternoon's rugby, and hopefully we can make it five in a row!

Scrum Club Update

Scrum Club is growing fast.

Scrum Club had its first lunch on the 17th of October and members were presented with their Club pins and a welcome letter from our President Mark Leppard MBE.

We also had a flurry of new signings on the day so we extend our thanks and a warm welcome to John Lewis, Kenny Gladden, Val Jones and Kerry Palmer.

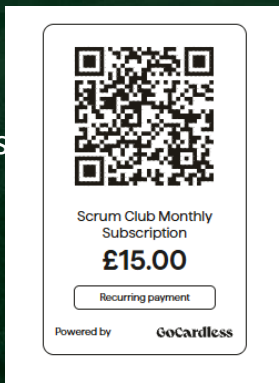

Also a big welcome to recently joined members, Nina Harris, Paul Tucker and Reg Goodey.

With such a thriving and growing membership Scrum Club will be announcing it's first major social event which will take place in the Club in February - watch this space!

With sincere thanks for all the fantastic support and good wishes

The Scrum Club Board.
